Dearest Nicest, Kindest folks in the whole wide world

Thank you for going the extra-extra miles for us.  
Now, we have the most beautiful roof in the whole neighborhood.

The wind & rain broke down our Berry Roofing sign in the yard. Tried duct tape repairs & my husband said NO! Plan B, will talk up our experience with Berry Roofing in any line, any place, anytime. Just can't thank you enough!

You kind folks, not only gave us a lifetime of a beautiful roof & <sup>our</sup> peace of mind priceless!  
Most of all, your fair customer pricing, saved us \$12,550.<sup>00</sup>, and Berry Roofing saved us from dealing with the evil deers, that darkened our door representing the Hero Program last December!

Have a wonderful day, please smile a hunch!

GOD BLESS <sup>AND</sup> YOUR FAMILIES
